MEMORANDUM FOR: Deputy Director of Training (Special)
SUBJECT: Weekly Activity Report #37 -- 10-17 September 1952

I. OLD ACTIVITIES

A. Courses Currently in Session:

The Counterespionage Course No. 16 is currently being presented (fifteen students).

B. Courses Scheduled:

The Communist Party Operations Course No. 9 will begin 29 September 1952.

I. NEW ACTIVITIES

- A. FP has recently indicated an important requirement for the training of its staff personnel in those aspects of CI and CE essential for operational security. While the current CE course covers many phases of this subject, it is still slanted somewhat toward the needs of the junior CE officer in FI. FI, however, had earlier indicated that it, too, recognized the primary need for defensive CI training designed to develop that knowledge required for the protection and security of clandestine operations.

It is, therefore, planned to defer the next presentation of the CE course and to make those changes in the instructional material which will better fulfill the requirements of the clandestine services for training in operational security, including the principal elements of CI and CE.
